The purpose of the seminar is to determine the best methods to use to meet today's growing housing and land planning needs.

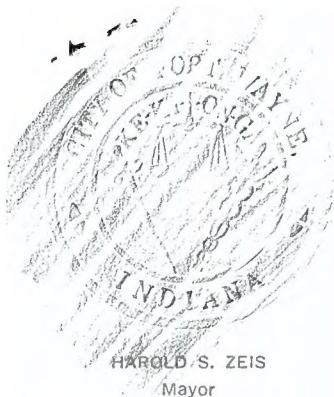

Club Olympia's famous buffet lunch will be served at 11:30 a.m. After lunch the seminar will continue until 4 p.m. Between 4 and 5 p.m. there will be a social hour with refreshments. And during the social hour individual and group questions, answers and discussions will be encouraged.

The Home Builders Association of Fort Wayne is concerned that our community will have the best housing and land planning possible, and it knows that our city and county officials are concerned with the same things. Our association believes that our city and county officials try to keep informed on everything pertaining to their respective offices. That is why it believes that our city and county officials would want to get all the information possible on matters as important to the growth of our community as housing and land planning.

We hope that all members of the City Council will attend the seminar on housing and land planning at Club Olympia on Friday, March 14, 1969.
